

CUSTOMIZATION RATES FOR FLATS

- When taking customization for flats we have decided to charge the client according to what we charge for that particular heel height.
- For example we have a client wanting to Customize SKU- S-779_BRNZ_FLT (2500/- MRP) into a 1.5 inch wedge heel. We price our existing 1.5 inch wedges at 4200/-. Therefore we will be charging the difference amount (4200 - 2500 = 1700 /-) as the customization fee, so that the order total will equal to 4200/-.

THESE ARE THE DIFFERENT HEEL HEIGHTS THAT WE CAN CUSTOMIZE THE FLATS IN
