LOOKBOOK 2019

inspiration:

A breakthrough of neutral tones with a mix of metallic textures brings together a trendy minimal approach to our new collection of designs - styled for every festive occasion.

Sonali Dalwani

It's the season for excesses and all things are colorful and vibrant. Keeping this in mind, the collection is designed in neutral tones with a minimal style.

The styles are versatile and hence you can pair it with your lehengas ,sarees, dresses, trousers and skirts.
